

**Our Mission:** To promote the value of PLAY throughout life.

**Our Vision:** Play will become a valued and integral part of the lives of people of all ages and abilities.

**Our Network:** Since 2009, we have grown to an international network of individuals, organizations and businesses that promote the value of play throughout life. Our membership is diverse – including play researchers, educators, park and recreation professionals, health scientists, architects, landscape architects, designers, planners, business and community leaders, psychologists, physicians, parents and more. **Membership is free**, and simply requires a declaration of shared commitment to the value of play through our website.

- **Regional Educational Events** – Smaller scaled, single themed events like the inaugural **2016 Midwest Play Conference**
